INDIA

India looking to U.S. Universities to build knowledge partnerships

India, which sends the largest number of STEM (science, technology, engineering and mathematics) students to the United States, is making a sustained outreach with American universities to build knowledge partnerships. As part of this effort to build knowledge partnerships, India's Ambassador to the US Taranjit Singh Sandhu has intensified interactions with US universities. To read more, click [here](#).

MALAWI

University of Malawi delinking

The Malawi government, through the Ministry of Education, has finally set 4 May 2021 as the date when the colleges under the University of Malawi (UNIMA) will be officially delinked. To read more, click [here](#).

MYANMAR

Junta announces reopening of public colleges and universities

Myanmar's military government has announced the re-opening from 5 May of public universities and colleges for final-year undergraduate students and masters students who enrolled in the 2019-20 academic year, after being closed for over a year due to the COVID-19 pandemic. To read more, click [here](#).

SINGAPORE

Survey: Private school graduates show poorer job prospects

The results of the latest graduate employment survey released on April 13 showed job prospects for fresh graduates from private education institutions in Singapore continue to lag behind those of their peers from autonomous universities. To read more, click [here](#).

SOUTH AFRICA

University of Cape Town assesses fire damage

Volumes of African literature, including archives of the liberation struggle history and the mid-19th century Cape San people, hosted at the iconic African Studies Library, as well as several historical buildings have been destroyed by raging fires which engulfed the University of Cape Town (UCT) and parts of Table Mountain in the Western Cape province of South Africa. To read more, click [here](#).

THE WORLD

Global HE can emerge stronger from

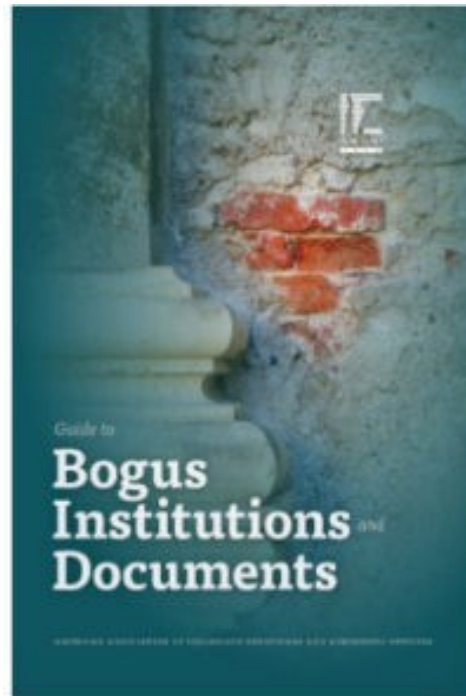

COVID tsunami

Vice-chancellors from three continents expressed their optimism that universities will recover from the upheaval caused by the coronavirus crisis with a new sense of purpose and greater understanding that more international collaboration is vital to rebuild a world battered by the pandemic. To read more, click [here](#).

U.S.A.

New Publication: Guide to Bogus Institutions and Documents

American Association of Collegiate Registrars and Admissions Officers (AACRAO) has released a new publication “Guide to Bogus Institutions and Documents” which highlights the past, current, and future of fraudulent institutions, diploma mills, and counterfeit documentation. To read more, click [here](#).

The Political mis-education of America

According to Karis Clark, columnist for MiC, “The dissonance in the reality of the school system arises when we discover how truly conservative our education system is. The American education system is another ideological state apparatus.” To read more, click [here](#).

VIETNAM

More universities seek quality accreditation from domestic, int'l organizations

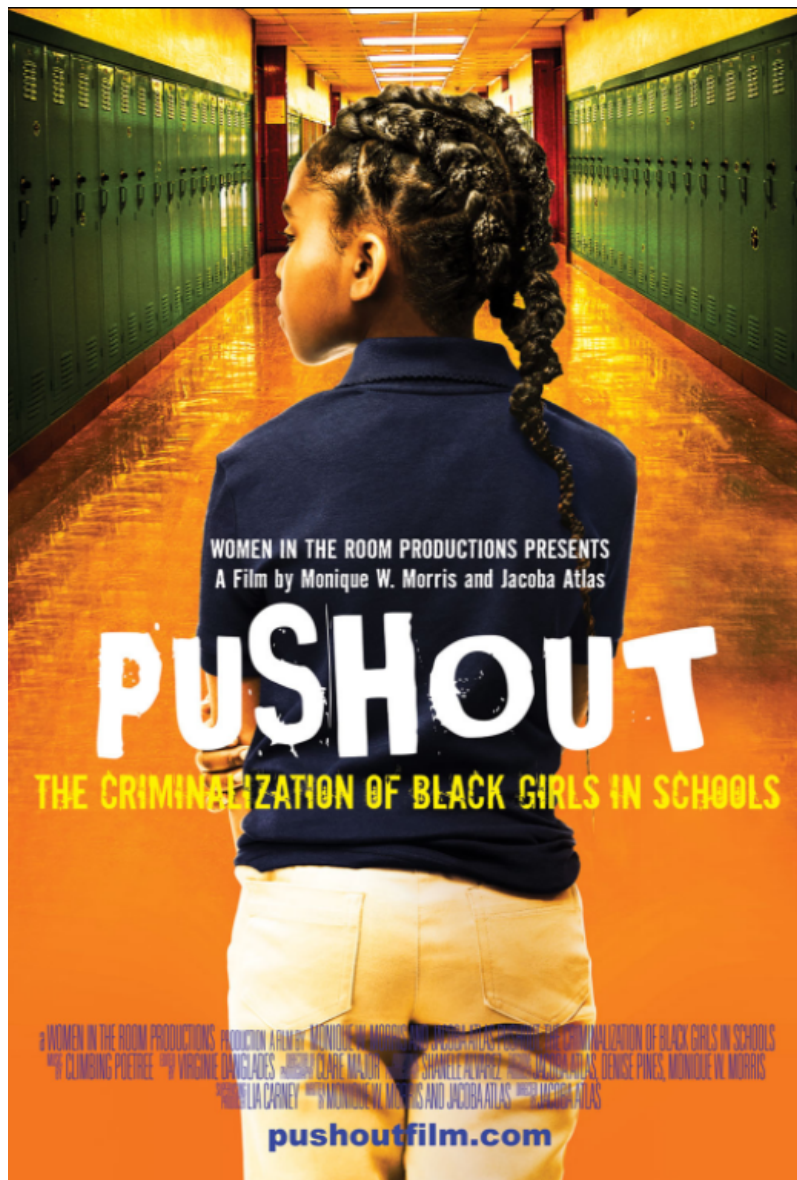

Universities across Vietnam are paying more attention to educational quality accreditation and assurance from domestic and

international organizations and centers, with universities setting up educational quality assurance committees that offer teachers guidance in training methodology and assessment to meet criteria in quality accreditation. To read more, click [here](#).

FILMS & DOCUMENTARIES

For your viewing pleasure, we've selected the following documentaries for you:

Based on the book, *Pushout: The Criminalization of Black Girls in Schools*, by Monique W. Morris, the documentary explores the harsh and harmful experiences confronting Black girls in schools across the U.S.

To view more, click [here](#) and [here](#).

BLACK BOYS illuminates the spectrum of black male humanity in America. An intimate, inter-generational exploration, BLACK BOYS strives for insight to black identity and opportunity at the nexus of sports, education and criminal justice.
