Education News From Around the Globe

AFGHANISTAN

Exodus of professors

Afghan professors say they're fleeing not only because of ideological and safety issues, but also due to drastic salary cuts and loss of govt benefits like housing schemes and pensions. To read more, click [here](#).

CANADA: Quebec

Study proposes free post-secondary education in

Quebec

Researchers from a Quebec institute are proposing that the provincial government take advantage of its rising revenues to introduce free post-secondary education. To read more, click [here](#).

CANADA-INDIA

India asking Canada to

expedite visa processing for stranded students

India has requested Canadian authorities to find a fix for the current visa processing delays, which have left hundreds of students stranded. To read more, click [here](#).

CHINA

China gears up for return of international students

China is gearing up for the return of foreign students shut out of the country and their university courses for over two years since COVID-19 border restrictions were imposed in 2020, after a number of Chinese embassies this week announced that overseas nationals with valid study visas for degree-level courses can enter the country. To read more, click [here](#).

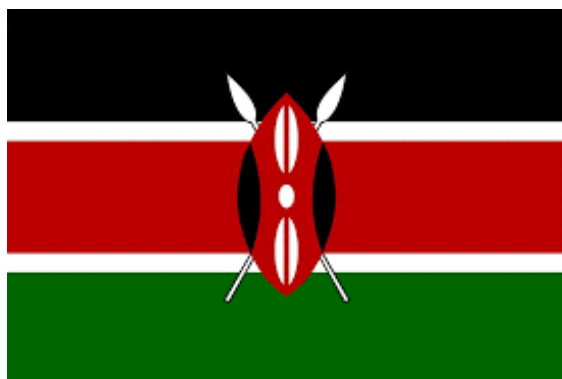

FRANCE

Don't buy your kids pens!

On the eve of the new school year, the French Federation of Consumers UFC-Que Choisir is urging parents not to buy pens for

their children because they contain a “cocktail of harmful ingredients”. To read more, click [here](#).

KENYA

New Diploma in Primary Education

Kenya introduces a new Diploma in Primary Education that is three years in duration and requires the Kenya Certificate of Secondary Education examination (KCSE). To read more, click [here](#).

MOROCCO

Government announces decree to make changes in university education more flexible

"Establishing bridges" between the different university degrees in the health sciences is one of the main objectives of the reform recently announced by the Moroccan Minister of Higher Education, Abdellatif Miraoui (PAM). To read more, click [here](#).

SYRIA

Children being forced out of schools and forced into

hazardous labor

Thousands of children in the north-west of the country are being forced out of school and into the labor market, under highly vulnerable conditions. Many find themselves having to take on very hard and hazardous work in sectors such as rudimentary oil refining, where their lives are put at risk both by the nature of the work and its potential to be turned into a military target. To read more, click [here](#).

U.S.A.

Landmark student loan forgiveness plan

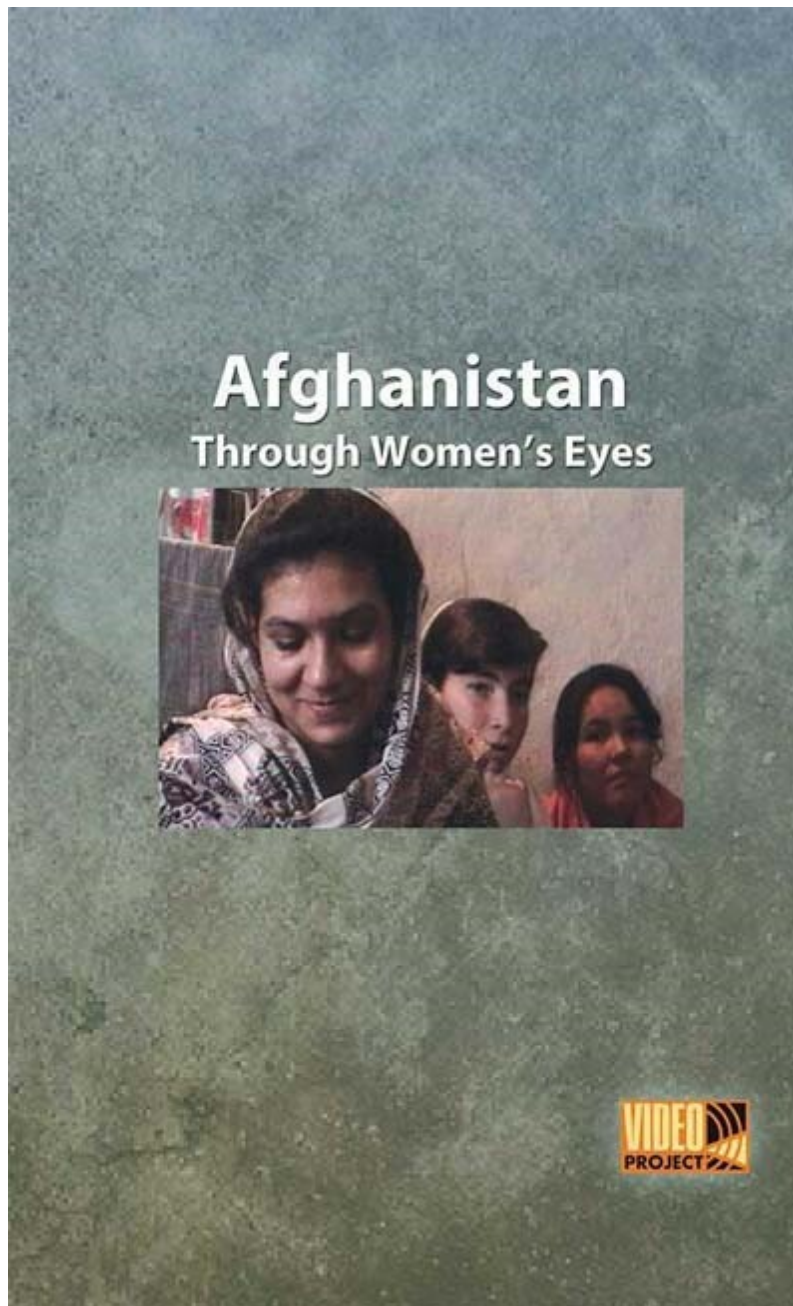

United States President Joe Biden has announced his long-awaited plan to deal with the student debt crisis, with loan-forgiveness for millions of borrowers and a cap on the rate of pay. To read more, click [here](#).

Former President Donald Trump fails to mention defunct Trump University in rant about 'corrupt colleges' and Biden's student loan forgiveness

Former United States president Donald Trump failed to mention his defunct Trump University in a rant about colleges and President Joe Biden's student loan forgiveness scheme, writes Gustaf Kilander for the Independent. To read more, click [here](#).

FILMS & DOCUMENTARIES

Afghanistan through Women's Eyes offers an intimate portrait of Afghanistan's silenced women as we see the conflict and history of Afghanistan through their eyes. . For more information, click [here](#).

ACEI Careers (Job Posting)

Editor-Credential Evaluation Report Review

Experienced international credential evaluator to join ACEI's

editorial team to assist with the review of final evaluation reports. The individual is responsible for reading content of final reports, reviewing information on the applicant's application form and educational credentials to check for errors and areas to refine the report. Their duties include maintaining close communication with other members of the editorial team and credential evaluators, referring to style guides and published print and electronic references to verify and improve the content and making corrections to grammatical errors and punctuation mistakes, program requirements (institution status, entry criteria, duration of program) as well as US educational equivalence recommendations. For more information, click [here](#).

Global Credential Evaluator

The global credential evaluator will evaluate academic credentials from around the world for U.S. educational equivalence in accordance with standards and policies followed by ACEI and those approved by the International Education Standards Council and the Association of International Credential Evaluators. This position is open to trained and experienced freelance evaluators with knowledge of global education systems and U.S. educational equivalencies. For more information, click [here](#).

ACEI Additional Services
