INTERNATIONAL

Internationalization agenda for universities remains focused on student recruitment

A survey of more than 100 international education leaders in Australia, Canada, and the UK, finds that internationalization – and student recruitment in particular – remains a top priority. To read more, click [here](#).

MALAYSIA

PM: Universities should allow students to freely express views, criticisms

Universities should allow their students to freely express views or criticisms, even to the prime minister or the government, said Datuk Seri Anwar Ibrahim. The prime minister said such views should be allowed as long as it was not insulting, and did not contain elements of racism or extreme religious views. To read more, click [here](#).

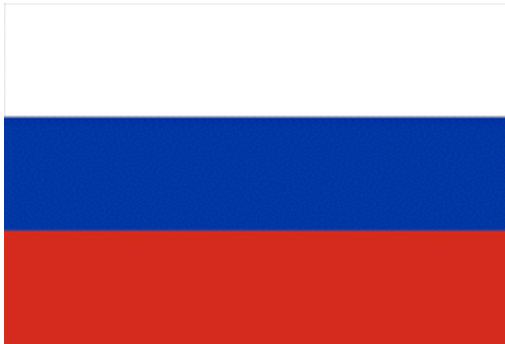

REPUBLIC OF KOREA

Online education startup challenges

Korea's legal requirements for foreign teachers

A legal clause that requires foreigners to have a bachelor's degree or higher to teach students in South Korea has become the subject of heated debate between the government and online private education industry. To read more, click [here](#).

PUBLICATIONS

Unintended Consequences of Internationalization in Higher Education Comparative International Perspectives on the Impacts of Policy and Practice. By presenting case studies of internationalization in institutions of higher education around the world, this volume identifies unforeseen or unintended impacts within and across countries. With contributions from Africa, Asia, Europe, Latin America, Middle East, and North America the volume considers the nature and origin of positive and negative unintended consequences of internationalization policy and practice in national contexts, while also offering uniquely comparative insights. Edited by Shahrzad Kamyab and Rosalind Latiner Raby. To purchase a copy, click [here](#).

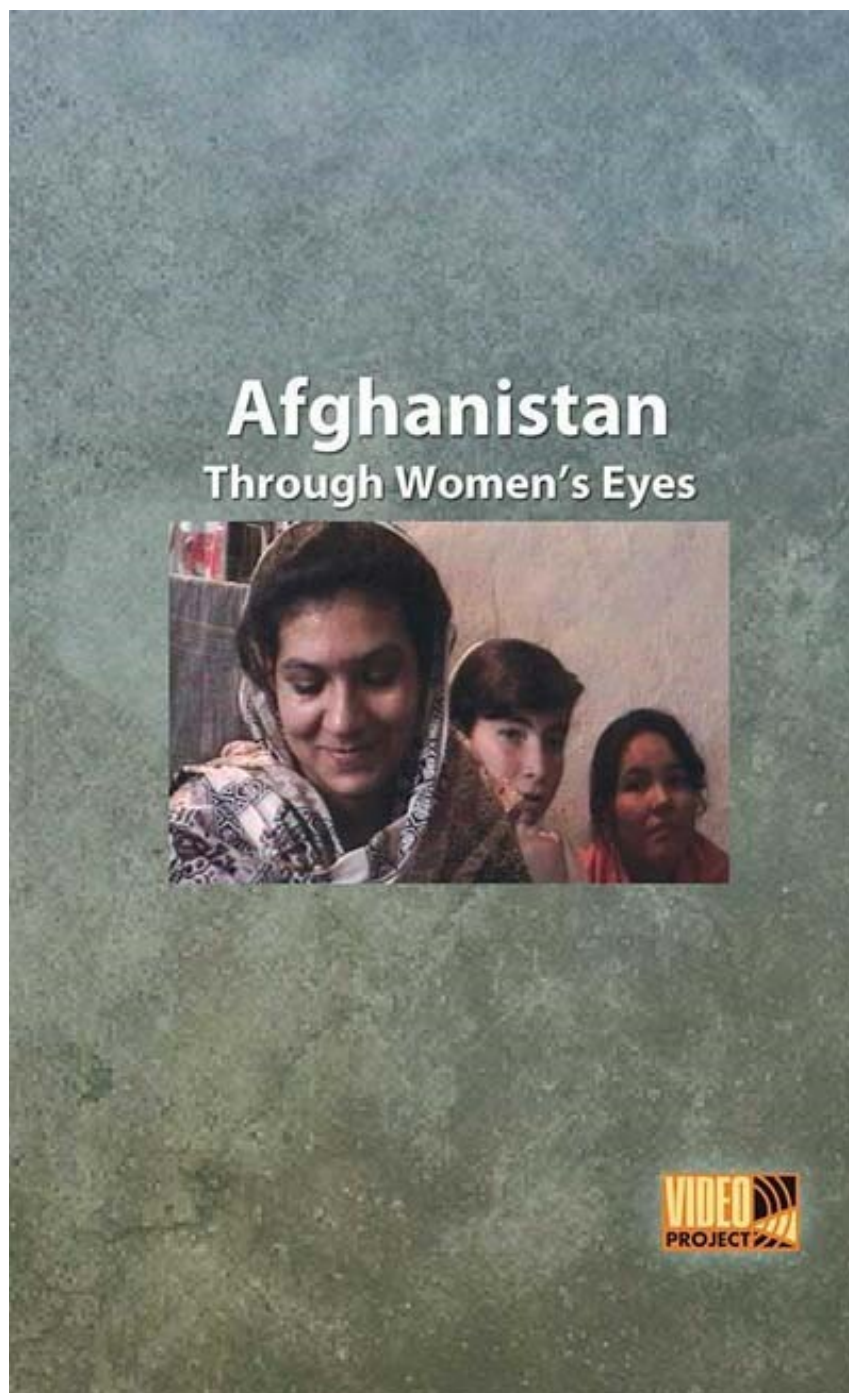

NEW!

Fake Degrees and Fraudulent Credentials in Higher Education published by Springer Nature in January 2023. It features over a dozen chapters on various topics related to the broad theme of credential fraud. For a synopsis of this publication and to purchase a copy, click [here](#).

FILMS & DOCUMENTARIES

We've selected the following documentaries for your viewing consideration, available through our partner [Video Project](#). The films

are available for licensing to educational institutions and for event screening. Please contact michael@videoproject.org for information.

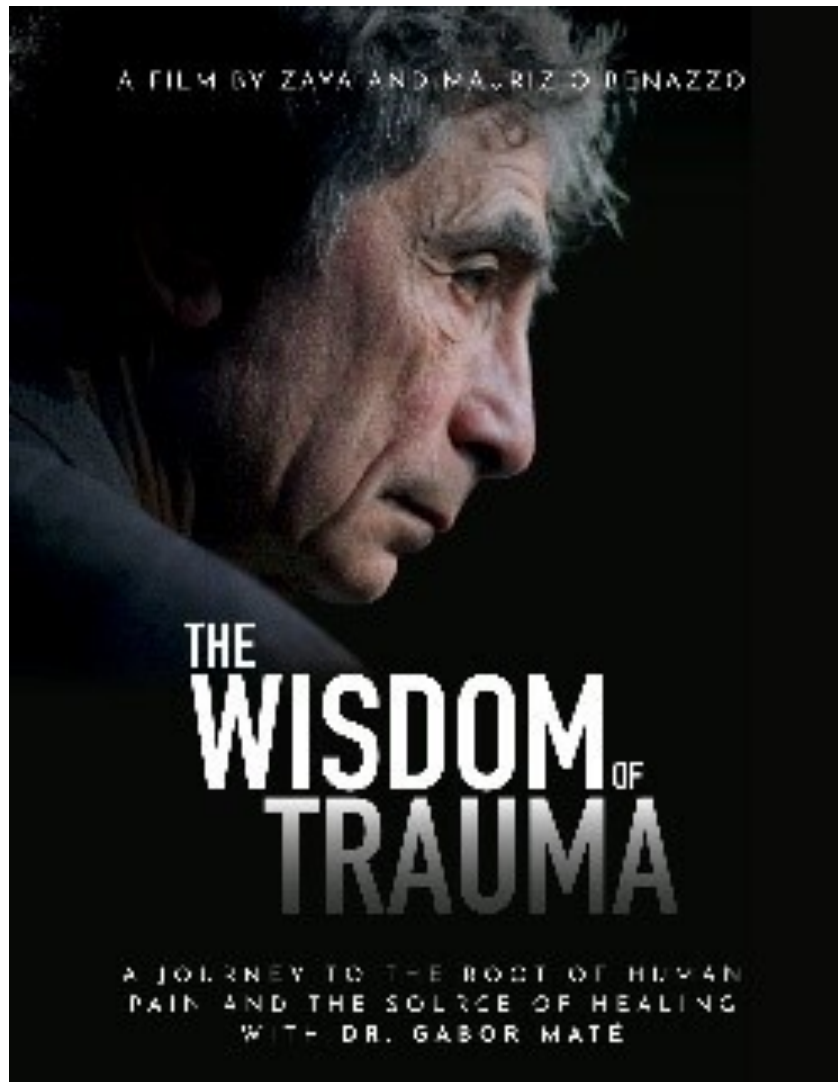

Afghanistan through Women's Eyes offers an intimate portrait of Afghanistan's silenced women as we see the conflict and history of

Afghanistan through their eyes. For more information, click [here](#).

Be My Voice focuses on Journalist and activist Masih Alinejad who is the voice of millions of Iranian women who are rebelling against the official state policy of compulsory hijab. Leading one of the largest acts of civil disobedience in Iran today from exile in the U.S., Masih uses her wide platform to prevent protest from being stifled in her home country. For more information on viewing options, click [here](#).

In *The Wisdom of Trauma*, we travel alongside physician, bestselling author, and Order of Canada recipient Dr. Gabor Maté to explore the root causes of the myriad health epidemics faced by Western countries. This is a journey with a man who has dedicated his life to understanding the connection between illness, addiction, trauma, and society. For more information on viewing options, click [here](#).

ACEI Careers (Job Posting)
