Education News From Around the Globe

AFGHANISTAN

UN scraps travel ban waiver for two Taliban education officials

The United Nations has effectively banned two Taliban officials from travelling internationally in response to the harsh restrictions the group has imposed on Afghan women and girls.

AUSTRALIA

More than half

of universities' overseas enrolments are Chinese

students

Chinese international students now account for more than half of NSW universities' overseas enrolments, with thousands more beginning courses last year despite most remaining offshore and learning online. To read more, click [here](#).

BULGARIA

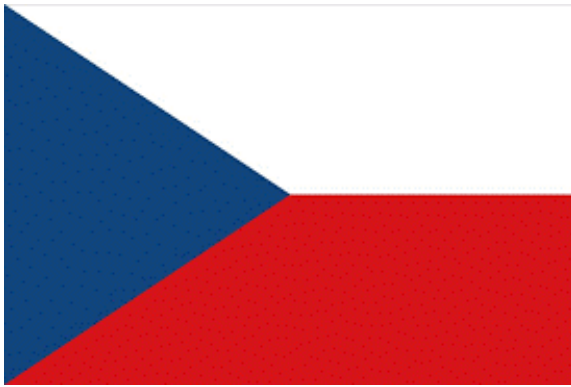

Bulgaria eases requirements for foreign students' admission to universities

Changes to an ordinance on the state requirements for admission of students to higher education institutions provide for Bulgarian universities to more easily accept foreign students, Bulgarian National Radio said on June 26, 2022. To read more, click [here](#).

CZECHIA

Russian

university students face restrictions

June 2022 makes it a year since the Nigerian Senate passed a bill to end the

age-long dichotomy between the bachelor degree and the Higher National Diploma (HND), but President Muhammadu Buhari has yet to take a stand. To read more, click [here](#).

IRAN

Corruption in National University

Entrance Exams Rocks Iran

The head of Iran's Educational Evaluation Organization has denied corruption in holding the standardized university entrance examinations, but many remain unconvinced. To read more, click [here](#).

THE NETHERLANDS

Dutch

university gets cyber ransom money back with interest

A Dutch university that fell victim to a massive ransomware attack has partly received back its stolen money, which in the meantime more than doubled in value, a news report said on Saturday. To read more, click [here](#).

NIGERIA

Medical council bans medical and dental

degree certificates from Ukrainian universities

In a decision that has hit many students badly, the Nigerian medical regulatory body has announced that it will not recognize medical and dental degree certificates issued by Ukrainian universities from 2022. This move means that Nigerian medical students who graduate from any Ukrainian university from 2022 onwards will not be allowed to sit the Medical and Dental Council of Nigeria (MDCN) examinations, which is a prerequisite for obtaining a license and practicing in Nigeria. To read more, click [here](#).

SRI LANKA

Several universities shut down amid

collapsing economy

Sri Lanka has temporarily shut down at least three state universities and closed schools in the capital Colombo and other main cities due to a prevailing fuel crisis and a collapsing economy that has affected all sectors and led to the interruption of academic activities at most universities as lecturers and students are unable to attend classes. To read more, click [here](#).

THE WORLD

Micro credentials: A new category of education is rising

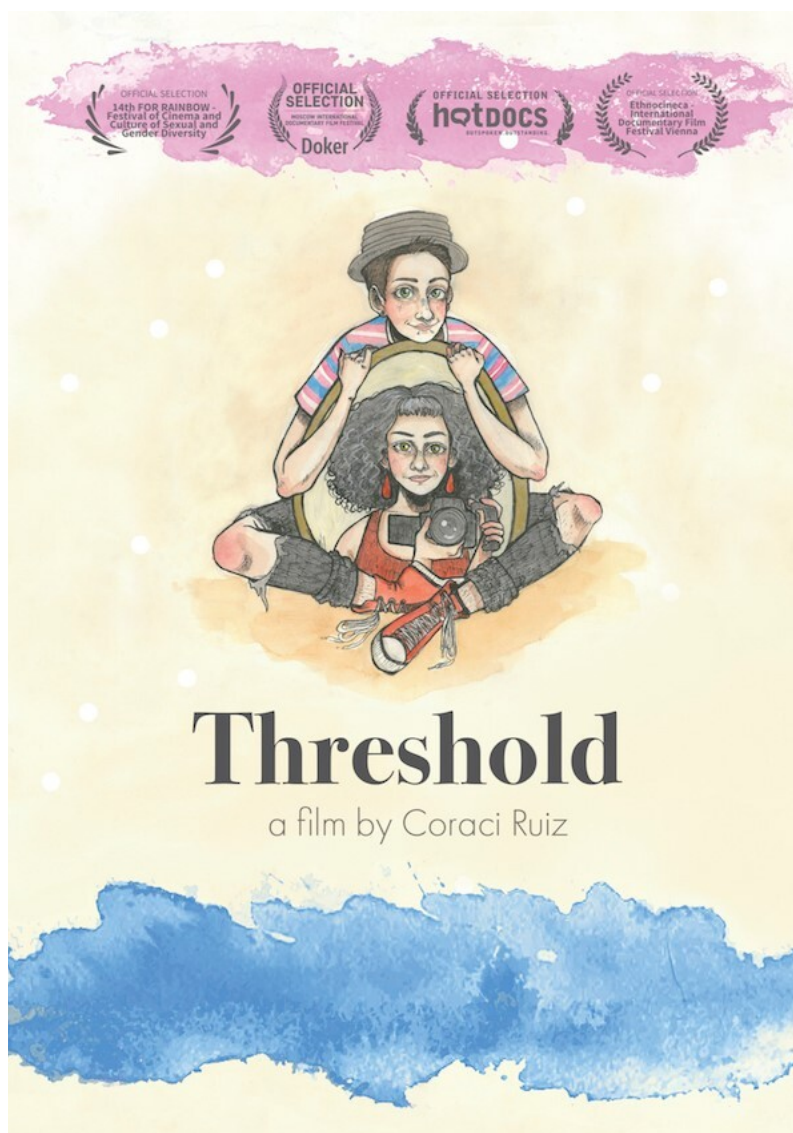

At the core of the traditional higher education system is a degree.

However, over the past decade, enrolment in four-year degree programs has steadily declined in the United States and, more recently, this trend has spilled over into emerging markets. To read more, click [here](#).

FILMS & DOCUMENTARIES

We've selected the following documentary for your viewing consideration, available through our partner [Video Project](#):

Threshold is an intimate autobiographical documentary from Brazilian filmmaker Coraci Ruiz following the revelation that her eldest teenager Noah, then 15-years-old, was having doubts about their gender identity. Realizing that she would have to deal with a new and highly challenging theme, she started filming with Noah's permission. This was her way of approaching her son and trying to understand what was happening. For more information, click [here](#).

ACEI Careers (Job Posting)

Editor-Credential Evaluation Report Review

Experienced international credential evaluator to join ACEI's editorial team to assist with the review of final evaluation reports. The individual is responsible for reading content of final reports, reviewing information on the applicant's application form and educational credentials to check for errors and areas to refine the report. Their duties include maintaining close communication with other members of the editorial team and credential evaluators, referring to style guides and published print and electronic references to verify and improve the content and making corrections to grammatical errors and punctuation mistakes, program requirements (institution status, entry criteria, duration of program) as well as US educational equivalence recommendations. For more information, click [here](#).

Global Credential Evaluator

The global credential evaluator will evaluate academic credentials from around the world for U.S. educational equivalence in accordance with standards and policies followed by ACEI and those approved by the International Education Standards Council and the Association of International Credential Evaluators. This position is open to trained and experienced freelance evaluators with knowledge of global education systems and U.S. educational equivalencies. For more information, click [here](#).

Customer Support Associate

The role of the Customer Support Associate is to ensure the efficient day-to-day operation of the office, maintain communication with applicants and support the work of management and other staff. This is WFH entry level part-time position. For more information, click [here](#).
